DEPARTMENT OF HEALTH SERVICES AND DEPARTMENT OF PUBLIC HEALTH - POLICY ON LENDING COUNTY MOBILE VANS FOR COMMUNITY OUTREACH EVENTS

On July 27, 2010, your Board instructed the Chief Executive Officer (CEO), in conjunction with the Interim Director of Health Services, Director of Public Health, and County Counsel, to develop a policy and procedure by which current service providers, non-profit community-based organizations as well as, State and national nonprofit organizations, may obtain access and temporary use of the mobile dental van, as well as other unused medical vans for similar outreach and health fair events at no cost to the County. The policy should restrict usage to events that further the County's mission.

In an effort to respond to your Board's request, this office worked with the Department of Health Services (DHS), Department of Public Health (DPH), and County Counsel staff to develop a model policy that could be utilized uniformly by DHS and DPH to develop their individual departmental policies. In summary, the policy identifies the purpose and sets forth the guidelines that will be used by DHS and DPH in providing access to County Mobile Health Care Facilities ("County Vehicles") by non-profit organizations solely for the purpose of providing health screenings, diagnosis, treatment or health education at health services events with either limited to no liability for the County. The policies cover issues, such as insurance, indemnification, cleaning and delivery, as well as delineating the organizations and the purposes for which the vehicles can be used.

It should be noted that DHS' and DPH's policy applies to all non-County entities who utilize DHS' and DPH's County Vehicles in conducting health related work for usage at health care events.

Attached is a copy of the policy for DHS, Policy No. 862.100 – effective September 23, 2010, (Attachment I) and DPH, Policy No. 116 – effective September 21, 2010 (Attachment II). A copy of the model vendor agreement, Permit for the Use of County Property is also provided (Attachment III).

Additionally, DHS and DPH will be returning to your Board shortly to request delegated authority to enter into agreements similar to Attachment III to implement the policy in specific cases.

If you have any questions, please contact me or your staff may contact Sheila Shima, Deputy Chief Executive Officer, at (213) 974-1160.
